What is OSC and KPMG Run for a Claus?

Operation Santa Claus (OSC) is an annual charity campaign jointly organised by South China Morning Post (SCMP) and Radio Television Hong Kong (RTHK).

This year, OSC has selected 12 charity organisations that address children and youth, community, elderly and medical needs.

It is the third year KPMG committed to be the major donor. Same as last year, we will collaborate with Team Building Asia and host our signature fundraiser, the **KPMG Run for a Claus** - a city hunt race where participants run around the city to tackle multiple challenges generated through a tablet. All the donations will go to OSC, we managed to host 46 teams and raised over HK\$350k last year, hope we can break this record with your support!

We would also like to take this opportunity to show our gratitude to Team Building Asia, who collaborated with us since last year and helped to make our Run for a Claus a huge success.

This is a great opportunity for us to contribute to the community while having some fun together.
