Children & Youth

Children’s Heart Foundation – Dose of the Heart
With your generous donations, Child Life provides temporary hospital service with exceptional care for parents of hospitalized children undergoing treatment at hospitals in all 50 states. The program provides hospitalization for children at a reduced cost and can be utilized in hospitals throughout the U.S.

Youth in Hospitals: In the Community – Support our Summer Camps

The Youth in Hospitals: In the Community program is designed to bring youth in hospitals closer to their families and community. It provides structured camps for youth in hospitals, allowing them to connect with others and participate in activities that promote healing and recovery.

The Elderly

Helping Hands – Helping Hands
The organization provides seniors and the elderly with assistance in procuring and delivering basic necessities, such as groceries, medications, and other supplies, to ensure their well-being and comfort.

Environmental

Environmental Protection – Proposed Legislation
Environmental protection is a crucial aspect of maintaining our planet’s health. This legislation aims to protect the environment, promote sustainable practices, and address the effects of climate change, ensuring a clean and healthy future for all.

Physical Disabilities

Family of Disabled Children’s Bill – Medical Consent and Enforcement of Rights
The Family of Disabled Children’s Bill is designed to provide medical consent and enforcement of rights for children with disabilities, ensuring they receive appropriate care and support throughout their lives.

Special Recognition

This event, organized by the Foundation for the Rehabilitation of the Handicapped, recognizes individuals and organizations that have made significant contributions to improving the lives of those with disabilities.
